COUNCIL PROCEEDINGS

Torrance, California, June 1, 1931. Minutes of An Adjourned Regular Meeting of the City Council of the City of Torrance.

An adjourned regular meeting of the City Council of the City of Torrance was held in the Council Chambers at Torrance, California, June 1st, 1931, and was called to order at 7:15 P. M. by Mayor Dennis.

The following Trustees were present: Trustees Bell, Nelson, Smith, Steiner and Dennis. Absent: None.

A gentleman, Mr. Montgomery, in the audience, requested the Council to grant him permission to hold an old time dance in the old American Legion Hall without paying a license for the first few times to see whether or not it would pay him to continue, giving about ten per cent of his income to the City for the unemployed.

The Council did not believe this would be very fair to advertise it as a dance for the unemployed and the proceeds go to the one individual, so Trustee Bell moved that the request of Mr. Montgomery be refused.

Trustee Smith seconded the motion, which was carried unanimously.

The Board proceeded to canvass the returns of the Special North Lomita Annexation Election, held in South Torrance, May 26th, 1931. After the canvass was completed, Attorney Briney read:

RESOLUTION NO. 497. A Resolution Declaring the Result of the Special Annexation Election, Held in South Torrance, May 26th, 1931.

Trustee Nelson moved that Resolution No. 497 be adopted. Trustee Steiner seconded the motion, which was duly carried by the following roll call vote:

Ayes: Trustees Bell, Nelson, Smith, Steiner and Dennis. Absent: None.

Mayor Dennis stated that there were a few of the citizens from the newly annexed portion of Torrance present, and he assured them that the Council would treat them fairly as the rest of the city and they would try to make them glad that they came into Torrance. The meeting adjourned at 8:30 P. M.

Trustee Steiner seconded the motion, which was duly carried by the following roll call vote:

Ayes: Trustees Nelson, Smith, Steiner and Dennis. Absent: Trustee Bell.

Engineer Leonard was instructed to meet with Mr. Brown's man Wednesday morning, June 3rd, 1931, at 8 A. M., and see what work it will be necessary to do to put it under the derrick in a safe condition.

And Jesus arose, and followed him, and so did his disciples. And when Jesus came into the ruler's house, and saw the minstrels and the people making a noise, he said unto them, Give place: for the maid is not dead, but sleepeth. And they laughed him to scorn. But when the people were put forth, he went in, and took her by the hand, and she arose." "Science and Health with Key to the Scriptures," by Mary Baker Eddy, states, "The physical healing of Christian Science results now, as in Jesus' time, from the operation of divine Principle, which sin and disease lose their reality in human consciousness and disappear as naturally and as necessarily as darkness gives place to light and sin to reformation."
